

Make a volcano in a bottle

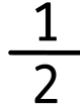

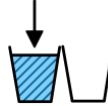

1

 1. Pour water into the bottle (until $\frac{1}{4}$ full)

2

 2. Pour vinegar into the bottle (until $\frac{1}{2}$ full)

3

 3. Add some food colouring

4

 4. Add a squirt of washing up liquid and shake to mix

5

 5. Fill the bottle with bicarbonate of soda

6

 6. Watch it erupt!
